

## Ladybugs

### Materials:

- 1 Apple cut in half
- 10 Seedless grapes
- 2 Lettuce leaves
- 2 Tablespoons peanut butter
- 6-10 Raisins
- 7 Toothpicks

### Directions:

1. Wash and pat dry the lettuce.
2. Set the lettuce on a plate and put half of the apple on top of the lettuce, skin-side up.
3. Use the peanut butter to stick the raisins on the "ladybug's" back so that they look like her "spots."
4. The toothpicks are used to place the grape on as the "head" and for the "legs."
5. Enjoy!
